Use "Calvert Cliffs Campground" in Google Maps for campsite; or ~699 Camp Conoy Rd, Lusby, Maryland or N38 24.792 W76 25.626 for gated entrance; or N38 24.523 -76 25.025 for camp parking area opposite campsite 5

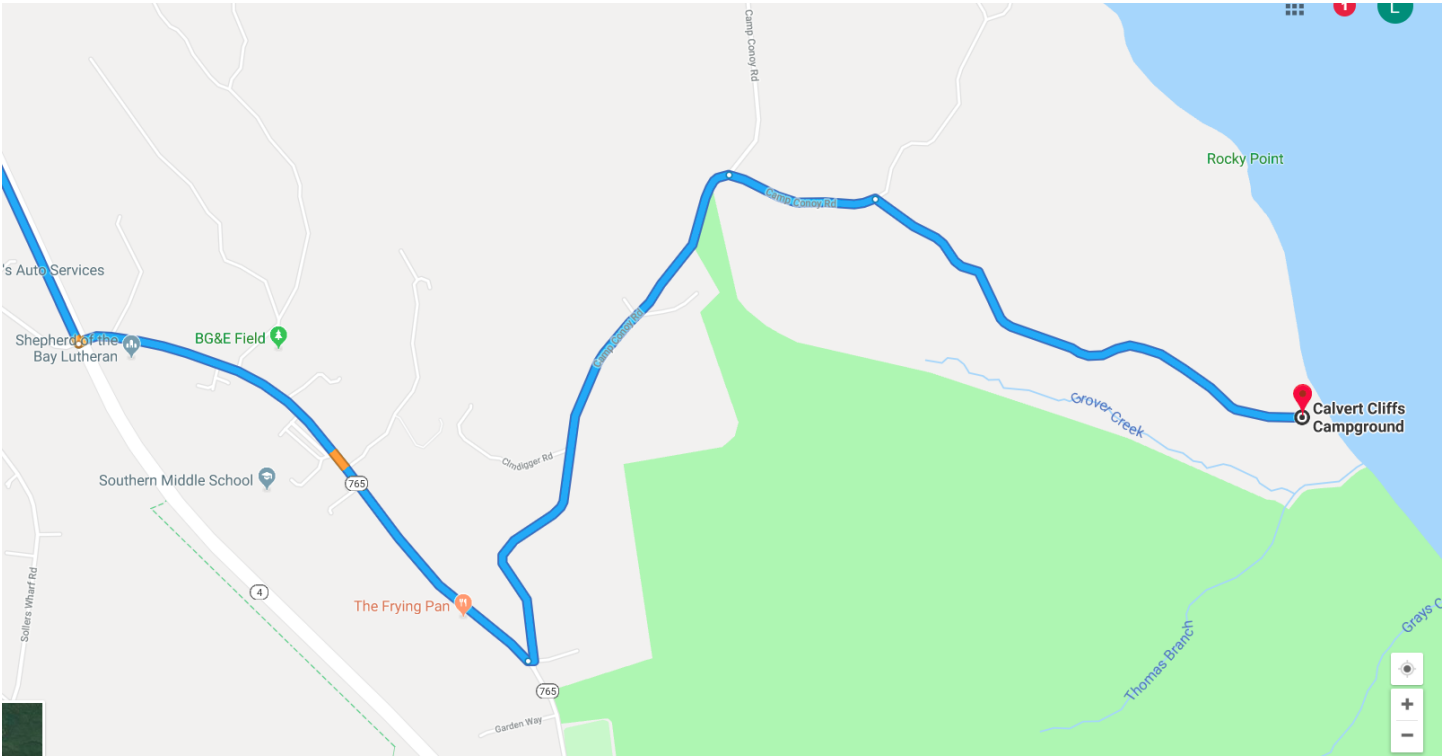

1. Take I-83 south.
2. Merge onto I-695 west toward Pikesville.
3. Go 19.7 miles and merge onto I-97 south via exit 4 on the left.
4. Go 9.8 miles and merge onto MD-3 south toward Bowie / Odenton.
5. Go 20 miles and merge onto MD-4 east toward Prince Frederick.
6. Go 36.1 miles and **turn left** onto H.G. Trueman Road / MD-765 **SOUTH**. See map below for the remainder of the drive.
7. Go .9 mi to Camp Conoy Road which is on the left just past The Frying Pan Restaurant on the right. The turn onto Camp Conoy Road is easy to miss, because the road sign is partially blocked by trees, and the road is small. (If you get to the main entrance to Calvert Cliffs Park on the left, you have gone about a half mile too far.)
8. Turn sharp left onto Camp Conoy Road (stay on paved road).
9. Follow Camp Conoy Road for 1.2 miles to the gate to the Calvert Cliffs Youth Campground AKA Camp Bay Breeze on the right. There is a sign by the gate. FYI, the road surface changes to dirt at 0.9 miles.
10. See map below. The gate to Camp Bay Breeze will be locked. The park wants it kept locked. The lock combination for this trip will be available at the shed before we leave on Friday night. Please lock the gate behind you.
11. Drive about 0.7 miles to our campsites #1, 2, 5, and 6. This dirt road has been ok in the past except for stretches of crevasses. Drive carefully over these areas. You may need to unload passengers if you bottom out.
12. Park in the overflow area on right (in front of field) across the road from campsite 5 (number may have changed).
