3- PERJURY & UNDERSTANDING & REPORTING OF CHILD ABUSE

Child abuse consists of a wide variety of different problems. Usually these are categorized as physical abuse, emotional abuse, sexual abuse and neglect. Physical abuse is the injury of the child by other than accidental means. Emotional abuse is the constant belittling, criticizing, yelling at and verbal tearing down of the child. Sexual abuse is any sexual activity between a child and an adult, or sexual activity involving children in which the age, size or other power factors between the participants is unequal. Child neglect is failure to provide necessary nurturance when resources are available to do so. Under the "Child Protection Act of 1987" (C.R.S. 19-3-301) in the Colorado Children's Code, leaders are required to report suspected child abuse or neglect. The law at 19-3-304 states that if a leader has "reasonable cause to know or suspect that a child has been subjected to abuse or neglect or who has observed the child being subjected to circumstances or conditions which would reasonably result in abuse or neglect shall immediately report" such information to the Camp Director. It is not the leader's role to investigate suspected abuse – only to report it. Persons who make a good faith report are immune from civil and criminal liability. Additionally, the law provides for the protection of the identity of the reporting party. A leader who fails to report suspected child abuse or neglect commits a class 3 misdemeanor and will be punished as provided in section 18-1-106, C.R.S.

Perjury Statement: Any Adult who knowingly or willfully makes a false statement of any material fact or thing in the application is guilty of perjury in the second degree as defined in Section 18-8-503, C.R.S., and upon conviction thereof, shall be punished accordingly. Suspected Child Abuse can be reported to the Larimer County Dept. of Human Services – 970-498-6300.
