

Pre-Requisite Verification Forms

In an effort to make sure that all Scouts that participate in Camp Rotary merit badge programs are satisfactorily completing the requirements as set forth in each merit badge manual - we **require** that ALL merit badge pre-requisites be certified by a Scoutmaster (or their designated Adult Unit Leader) OR a certified Merit Badge Counselor for the badge being taken at camp*. One of the completed slips below must be turned in to EACH merit badge counselor at the start of the merit badge session. Merit badges will not be signed off by our staff without this slip being turned in.
